PRESS RELEASE

Spectrum Resource Group Opens Houston Office

Dallas, TX – August 1, 2017 – Spectrum Resource, a Building Specialties contractor and fabricator of Visual Display Products since 1986, announced today the addition of Stan Balmanno as a Partner to open and manage our Houston Operation. Based in Spring, Stan will have day-to-day responsibilities for Houston and the surrounding areas; specifically to develop customer relationships and manage projects.

Stan Balmanno has over 20 years of project management and customer service experience across various industries. Stan grew up Houston area and is a 1994 graduate of Texas Wesleyan University and member of their baseball team. Stan, his wife, and 2 children currently reside in Spring, TX.
