PRESS RELEASE

Spectrum Resource Group Adds General Manager of South Central Operation

Dallas, TX – June 17, 2013 – Spectrum Resource, a Building Specialties contractor and fabricator of Visual Display Products since 1986, announced today the addition of David Kutac to open and manage our new South Central Division.

Based out of New Braunfels, David will have day-to-day responsibilities for the South Central Division. Specifically, David will develop customer relationships and manage projects and installation teams as far north as Waco to the Valley region of South Texas.

David Kutac has over 15 years of construction, project management, office management, crew leadership, outside sales, and customer service experience. With specific Division 10 & Building Specialties experience, David most recently was a Project/Sales Manager for T. King Building Services; managing King's South Texas operations for the last 2 years. David grew up in South/Central Texas and is a 1997 graduate of Texas A&M University. David, his wife, and 2 young children currently reside in New Braunfels, TX.
